Announcement Regarding Further Relief for Participants in the IATSE National Funds due to the Covid-19 Pandemic

Extended Relief for Health & Welfare Plan A Participants for August through December

Health Plan A

As you are aware, eligible Health Plan A participants were granted credit for 10 days of work per month for March, April, May, June, and July 2020 to assist them in remaining covered.

We are writing to let you know that, at their recent Board meeting, the Trustees further agreed that Plan A participants who were enrolled in Plan A coverage on March 1, 2020 **and** received employer contributions to Health Plan A in 2020 will receive an additional crediting of 10 days of work per month for August, September, October, November, and December, 2020, in order to assist with continued coverage.

In addition, the Trustees extended the group of Plan A participants who are eligible for this relief. Plan A participants who received employer contributions to Health Plan A in 2020 **and** enrolled in Plan A coverage on April 1, May 1, June 1, or July 1, 2020 will receive an additional crediting of 10 days of work per month for the remainder of 2020 starting with the month prior to the month in which they enrolled. As an example, a participant who enrolled in Plan A on June 1, 2020 will receive an additional crediting of 10 days of work for May, June, July, August, September, October, November, and December 2020 in order to assist with continued coverage.¹

We hope these changes help assure you that the Board of Trustees is continually monitoring your needs during this unprecedented time. As more changes occur, we will continue to communicate with you. Check our website, www.iatsenbf.org, frequently for updates.

Sincerely,

A handwritten signature in black ink, appearing to read "Anne J. Zeisler".
