

There's more to love about your Sydney Health app

Discover a whole new way to stay on top of your health care

With the Sydney Health app, you can find everything you need to know about your benefits in one place. Plus, you can now connect with Sydney CareSM for a convenient way to get health answers and find affordable care when you need it.

Simple

Sydney Health makes it easy to check your benefits, review your claims and ID cards, plus get fast answers using our interactive chat feature.

Smart

Not feeling well? Use Sydney Care to see how others with similar symptoms were treated through a free interactive chat. You'll get a clear picture of your health issues in minutes.

Personal

Sydney Care also lets you connect with a board-certified doctor via text or video. They can give you a diagnosis and even order prescriptions* and lab tests.

Affordable

A text chat with a doctor is \$19 or less. Or have a video session for \$59 or less, depending on your health plan.

Leave the guesswork behind with Sydney Health and focus on feeling better faster without hurting your budget.
